SWIRL FINDER PEN LIGHT

PRICE 73,00 €

DESCRIPTION

The new LL200 Swirl Finder Flashlight has been designed to provide detailers and body shops the perfect portable tool to inspect the surfaces on which they are working. With its 4000K color temperature, our LL200 perfectly reproduces sunlight to ensure the best conditions for inspection.

The new 240 lumen led, together with the increased dimension of the luminous flux and the amplitude and greater curvature of the optics, allows light to be optimally reflected on the surface, making defects visible such as sanding marks, pig tails and swirls on even more surfaces including a much greater number of colors and paints.
