

RUPES G401 Glass Cleaner

Product's main features:

- Formulated specifically for automotive professional use
- High-viscosity gel formula clings to surfaces
- Breaks down road oil and greasy films on contact
- Wipes away effortlessly without streaks or smears
- Prevents future soiling and interior fog
- Safe for all automotive glass and rear view mirrors
- Ammonia-free formula
- Ready to use product
- Not flammable

Main fields of application:

RUPES G401 Glass Cleaner makes one of the most frustrating tasks in car detailing easy. The unique gel formula clings to glass and instantly breaks down grease and soil. G401 Glass Cleaner wipes away completely, leaving behind a crystal-clear finish that is free from streaks, smears, halos and wipe lines.

With G401 Glass Cleaner, easy-to-achieve perfect results are the beginning. It continues to work after being wiped off the surface by preventing interior fog and window clouding and by making future cleaning even easier.
