- dilute 20:1 (water:degreaser) for maintenance cleaning, vinyl and leather. Does not require rinsing at this ratio. In this case a combined use with RUPES L301 Leather Fast Cleaner is possible to obtain excellent results.
- Spray onto the surface and agitate with a soft brush or cloth and then rinse away completely. For leather cleaning, apply with either a sponge or by spraying, agitate and wipe dry with a soft towel.
- Do not allow M501 to dry on the surface. Always test an inconspicuous area first. Not for use on suede or alcantara.
