Car Care

M606 RAPID CLEANER DETAILER

- Ready to use quick detailer
- Removes smudges and dust quickly between washes
- Mist and wipe for fast cleaning
- Increases gloss, protection and water beading
- Streak-free application

MAIN FIELDS OF APPLICATION

RUPES M606 is a fast-cleaning, easy-to-use formula that leaves your vehicle looking freshly detailed. In just one step it removes unsightly smudges, dust and fresh bird bomb deposits without scratching or dulling painted finishes.

M606 performs effectively on all hard non porous exterior surfaces including paint, alloy rims, gel coats, glass, plastic moldings and metal trim. Will not stain plastic or rubber trim.

M606 immediately encapsulates dirt and grime, reducing the chance of scratching during the removal process. The gentle cleaning formula safely cleans without removing existing wax or sealant protection, simultaneously, M606 applies a glossy layer of protection to improve water shedding and resist weathering. Spray and wipe to a rapid shine!

METHOD OF USE

Lightly mist M606 on the surface and wipe with the soft microfiber towel.

-Flip the towel to a dry side and buff to a high-gloss shine.

-A second application of M606 will enhance gloss, slickness, and protection.

-For best results apply to a cool surface out of direct sunlight.

-Shake well before use.

COMPOSITIONS AND SAFETY MEASURES

Avoid contact with eyes
