# DELUXE TOOL DISPLAY

SAME DISPLAY WITH A NEW CONCEPT

9.Z1207  
**Magnetic Graphic**  
HLR iBrid  
(for left side  
configuration)

9.Z1209  
**Side Panel**  
(right or left  
universal side panel)

9.Z1210  
**Central Module**  
(complete single module)  
220cm (H) x 100cm (W) x 50cm (D)

9.Z1209  
**Side Panel**  
(right or left  
universal side pane)

9.Z1208  
**Magnetic Graphic**  
HLR iBrid  
(for right side  
configuration)

The RUPES Deluxe Tool Display has been redesigned with the same look and functionality, while introducing improved convenience for storage and shipping (with smaller packaging) and more versatile configuration options.

The new display is available as a single central module (code 9.Z1210), which can be used on its own or adapted into a left or right-side unit by adding the universal side panel (code 9.Z1209), depending on your setup needs.

**NOTE: PERFECTLY COMPATIBLE WITH THE OTHER DELUXE DISPLAYS (codes 9.Z1125/L, 9.Z1125/C, 9.Z1125/R).**

# LOGISTICS AND STORAGE INFORMATION

## NEW COMPACT PACKAGING FOR EASIER STORAGE AND SHIPPING

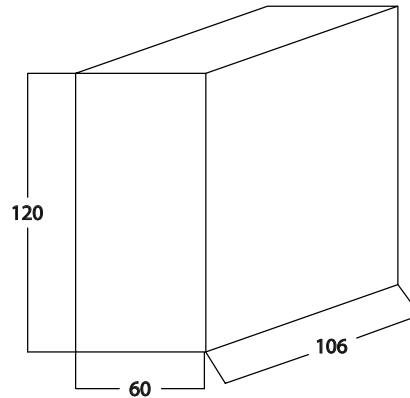

The new RUPES Deluxe Display, unlike the previous version, has been designed to be split inside the cardboard box, significantly reducing the overall package size. Once received, assembly is quick and easy.

The central module (code 9.Z1210) is shipped in a single box containing the parts to be assembled along with clear and easy-to-follow instructions. The same applies to the universal side panel (code 9.Z1209), which also comes with detailed instructions for mounting it to either the right or left side of the central module (code 9.Z1210).

Side Panel - Cardboard Box Dimensions
