

RUPES

NEW COMPOUND & POLISH SAMPLE PACK

RUPES is proud to introduce the **Compound & Polish Sample Pack for D-A Polishers**. This kit contains **four 125ml bottles** of RUPES most popular polishing compounds from the D-A System and UNO ranges. The Compound & Polish Sample Pack is designed to introduce our polishing compounds to those who may not have experienced the amazing performance of the latest high-performance formulas.

THE SAMPLE PACK INCLUDES:

D-A COARSE

(1 bottle - 125ml)

D-A COARSE is ideal for users who want fast removal of moderate to severe defects and a smooth user experience. Use with any of the RUPES D-A Coarse pads for strong cutting and impressive finishing on any type of painted surface.

D-A FINE

(1 bottle - 125ml)

D-A Fine Polishing Compound delivers moderate defect removal along with an incredible finish quality on most paints. The formula has been tuned for easy wipe-off and an optimized user experience with any of the yellow D-A System Pads.

UNO PURE

(1 bottle - 125ml)

UNO PURE is an ultra-finishing polish designed for very soft or haze-prone paints to create a show car finish, even on dark colors. Pair with any of the RUPES White D-A System pads and experienced class-leading finishing performance.

UNO PROTECT

(1 bottle - 125ml)

UNO PROTECT is an all-in-one polish and sealant that removes moderate defects and leaves a high-gloss, protected finish, in just one-step. UNO PROTECT offers a pad-dependent cut and finish, so pair it with any RUPES pad to suit your specific application.
